# Introducing the Hakodate Special Ticket 2026: A 2-Day, 1-Night Model Itinerary

## Overview

This webpage introduces a highly efficient 2-day, 1-night model course for 2 people traveling in Hakodate. The itinerary makes strategic use of the "Hakodate Special Ticket," a discount pass combining transportation vouchers and attraction points.

### [Day1]

#### *Arrival in Hakodate & Spectacular Night Views*

#### **Afternoon – Evening: Arrival & Hotel Check-in**

#### **Night: Mt. Hakodate Ropeway to the Summit**

- It is highly recommended to shift your timing slightly to avoid the peak sunset crowds (which can lead to waiting times of over an hour). In addition to the main observation deck, you can enjoy a relatively uncrowded night view from "Isaribi Park."
- You can also enjoy a romantic stroll to see the illuminated Motomachi and Bay Areas at night.
- Using the Special Ticket: Round-trip ropeway (7 Point Tickets).

#### Approximate Sunset Times on Mount Hakodate

Jan.	16:15	Feb.	16:50	Mar.	17:30
Apr.	18:00	May.	18:30	Jun.	19:00
Jul.	19:15	Aug.	18:50	Sep.	18:10
Oct.	17:20	Nov.	16:30	Dec.	16:10

### [Day2]

#### *Exploring Goryokaku, Yunokawa, Bay Area & Motomachi*

On Day 2, exchange the ticket's transportation Ticket for a "City Tram 1-Day Pass" to move smoothly and efficiently around Hakodate's compact city layout.

#### **1. Goryokaku Tower & Surrounding Area (Morning)**

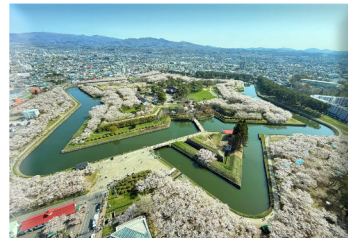

- Take the tram to Goryokaku. From the tower's observation deck, enjoy a 360-degree panoramic view of the beautiful star-shaped Goryokaku Fort. Having lunch in this area is also recommended.
- Using the Special Ticket: Goryokaku Tower Observation (4 Point Tickets).
